Guidelines for Awarding Hardship Loans

The following guidelines for awarding loans to students in cases of hardship have been laid down in accordance with Section 78 (2) sentence 3 of the Universities Act of the Federal State of Brandenburg dated 28.04.2014 and 01.07.2015. They deal with loans to students in the area covered by the mandate of the Studentenwerk Frankfurt (Oder).

1. Students in the area covered by the mandate of the Studentenwerk Frankfurt (Oder) may apply for a loan in cases of hardship. Such loans are granted to students to enable them to continue pursuing their studies. The director of the Studentenwerk will decide on the amount and term of the interest-free loan after examining the reasons for applying for the loan stated by the applicant. Hardship will be assessed in accordance with the principles laid down in the Federal Student’s Assistance Act (BAFöG).

2. Applications for a hardship loan, in which the applicant must clearly state his/her reasons for applying for the loan, must be accompanied by a brief opinion, in writing, drawn up by the Students’ Council at the relevant university. Failure to submit an opinion by the Students’ Council will mean that a decision on the application cannot be taken.

3. The following special circumstances may be regarded as justifying an application for a hardship loan:
   a) The student loan awarded under the students’ loan programme in accordance with the Federal Student’s Assistance Act (BAFöG) has been discontinued temporarily for reasons beyond the student’s control;
   b) loss of materials and equipment required for studying which is not covered by insurance;
   c) unforeseen expenses due to illness and
d) other circumstances that are demonstrated to have caused hardship.

4. The maximum loan in case of hardship is 500 EUR. The Studentenwerk will pay the loan to the applicant by bank transfer.

5. The terms for repaying loans vary as stated below, depending on the student’s circumstances:
   - If hardship is caused by temporary withdrawal of the student loan awarded under the federal students’ loan programme for reasons beyond the student’s control, the hardship loan must be repaid as soon as the student has received the back payments for the student loan. The hardship loan shall be repaid in a single sum by direct debit.
   - If hardship is due to other reasons, repayment of the hardship loan will generally begin three months after the loan has been paid out. The repayment schedule and the date on which repayments begin will be specified on a case-to-case basis when the loan is granted. The loan shall be repaid in monthly instalments of at least 50 EUR.

6. If the borrower is unable to repay an instalment when it is due for reasons beyond his/her control, he/she may submit an application to the Studentenwerk Frankfurt (Oder) requesting that repayment be deferred. The Studentenwerk Frankfurt (Oder) may permit repayments to be deferred once for up to six months. The obligation to repay the loan expires if the borrower dies.

7. The borrower shall inform the Studentenwerk Frankfurt (Oder) in writing immediately of any change of address.

8. The entire loan must be repaid immediately if the borrower
   - is excluded from the university,
   - terminates his/her studies,
- does not use the loan to pursue his/her studies,
- is in arrears with two repayments or
- fails to notify the Studentenwerk Frankfurt (Oder) immediately of his/her change of address.

In such cases, the amount of the loan which has not yet been repaid will be subject to 6% interest from the date on which it was due.

9. All repayments, which are due on the first of each month, shall be made to the Studentenwerk Frankfurt (Oder) by direct debit as authorised by the borrower. Any other payments must be paid into the account of the Studentenwerk Frankfurt (Oder) at Sparkasse Oder-Spree, IBAN: DE 70 1705 5050 3400 9626 93, BIC: WELADED1LOS, stating the borrower's name and reference number.

10. The director of the Studentenwerk informs the Administrative Council at regular intervals about the number of hardship loans awarded to students in the area covered by the mandate of the Studentenwerk Frankfurt (Oder).

These guidelines apply as from 01.05.2016.
Guidance

on how to apply for a hardship loan
from the Studentenwerk Frankfurt (Oder)

1. Loans are granted in accordance with the Guidelines for Awarding Hardship Loans issued by the Studentenwerk Frankfurt (Oder). The guidelines can be consulted at the Studentenwerk.

2. Loans will be awarded depending on the financial means available. The applicant must clearly explain why he/she is applying for a hardship loan. There is no legal right to a loan.

3. An application for a hardship loan should be made in good time by submitting the appropriate form. The period for which the loan is required, the length of studies and the reasons for applying for a loan must be stated.

4. Applications must be accompanied by proof of registration at the university (Immatrikulationsbescheinigung) which states which semester the student is currently registered for.

5. The application forms can be obtained from the Studentenwerk. The completed forms should be submitted to the Studentenwerk in person during office hours to avoid the need for any subsequent queries regarding the application.

6. The applicant must agree to allow the data submitted in the application to be stored on a computer system. The data will not be passed on to third parties.
